

Luis Nicola Metzger

Analyst, Industrials & Equipment

Berlin, Germany | luis.metzger@qesearch.com | +49 170 3232266 | linkedin.com/in/luis-metzger | luisqe.stream

Highly ambitious, multilingual industrial engineer specialised in electrical engineering, now an Analyst in Accenture's Strategy & Consulting practice for Industrials & Equipment, with educational and professional experience across several countries.

EXPERIENCE

MAR 2025 – PRESENT

Analyst, Strategy & Consulting

Accenture · Industrials & Equipment practice

- PMO Lead on a €10M, 18-month SAP S/4HANA transformation, owning end-to-end on- and offboarding, invoicing and governance for 100+ resources, and mentoring the PMO team
- Built an internal n8n automation suite (Jira-to-email status generation, a Dashboard Manager, defect-reporting dashboards) that cut manual reporting effort

2022 – 2023

Consulting Intern

PwC Deutschland GmbH · Operations Consulting

- Coupa implementation across the P2R, CLM and SIM modules
- Proposal creation in the automotive and energy sectors
- Advised 300+ clients on their contracts
- Implemented Supply Chain Act safeguards in the textile industry

2017 – 2025

Inhouse Consultant

Quinkert & Esser Executive Search GmbH

- Research and candidate sourcing across 18 engineering search mandates within a five-person inhouse team
- Built candidate long-lists and market maps across automotive, technology and financial services
- Kept searches current by tracking company and market movements

2017

Master Internship

Hager Sistemas S.A.U.

- Automated generation and visualization of sourcing KPIs
- Raised the quality of a new product line using Lean tools
